# BIOCOTTON

BY LEGBY®

I teli della collezione **BIOCOTTON by LEGBY®** sono prodotti utilizzando esclusivamente cotone biologico, prodotto senza utilizzo di pesticidi, insetticidi, defolianti, diserbanti o concimi chimici che possano nuocere all'ambiente e alla salute degli operatori del settore agricolo.

Non sono utilizzate alcune specie di cotone OGM e sono messe in atto pratiche agricole tese al ripristino della fertilità dei terreni, ad un rinnovato equilibrio degli ecosistemi e alla salvaguardia della salute del nostro pianeta.

Per la produzione dei teli della collezione **BIOCOTTON by LEGBY®** non vengono utilizzate sostanze chimiche, eccezion fatta per le tinture che devono in ogni caso rispettare gli standard OEKO-TEX®.

Per questi motivi, i teli della collezione **BIOCOTTON by LEGBY®** risultano soffici e particolarmente morbidi e gradevoli al tatto e i rischi da allergie sono ridotti al minimo.

Infine, il cotone biologico è commercializzato secondo un sistema che garantisce ai produttori nei paesi poveri del mondo un prezzo sostenibile.

*The **BIOCOTTON by LEGBY®** terry collection is produced using exclusively biological cotton, the result of a biologic agriculture system which does not make use of pesticides, insecticides, herbicides, weed-killers, or chemical manure which can harm the environment and damage the agricultural field operators.*

*No OGM cotton is utilized; on the other hand, agricultural methods tending towards soil fertility reinstatement, ecosystem renovated equilibrium and safeguard of our planet's health are constantly applied.*

*No chemical elements whatsoever, except for dyes which have to anyhow respect the OEKO-TEX® standards, are utilized in the production of the **BIOCOTTON by LEGBY®** terry collection.*

*For these reasons the **BIOCOTTON by LEGBY®** terry collection are astonishingly soft and fluffy, and have a beautiful touch, with minimum allergy risk.*

*Finally, the biological cotton marketing system guarantees a tenable price for the third world producers.*

## RICAMI EMBROIDERIES

Lavorazione che permette di riprodurre marchi con risultati di assoluta eleganza. Le possibilità sono innumerevoli, dalla sobrietà di una realizzazione tono su tono a sgargianti contrasti di colore, utilizzando fili di diverso tipo a seconda delle esigenze. I ricami sono particolarmente adatti a grafiche di piccola o media dimensione.

*Embroidery allows the reproduction of brands and logos with an absolute elegant result.*

*There are countless possibilities, ranging from sober tone to tone production to dazzling colour contrasts, utilizing different kinds of thread according to requirement. Embroidery is particularly suitable for small and medium size graphic designs.*

## STAMPA A COPERTURA TOTALE TOTAL COVERING PRINT

Tecnica che permette di riportare su un telo, preservandone l'estrema morbidezza, grafiche complesse con grande fedeltà. Permette di ottenere teli molto colorati con disegni molto grandi, aventi fino a 12 colori. Si realizza esclusivamente su teli cimati.

*This technique will allow complicated graphics to be carried out with absolute accuracy on a towel cloth, while still preserving its extreme softness. Highly coloured towels will be obtained with very big designs, up to 12 colours. This can be exclusively realized on velour fabrics.*

## Technical Information

JACQUARD "TIPO RICAMO" SU BANDA  
JACQUARD BAND "EMBROIDERY STYLE"

Lavorazione che permette di dare pieno risalto ad un marchio a colori, direttamente intessuto in una banda del telo. Particolarmente adatta a scritte e marchi a uno o due colori.

*The jacquard band "embroidery style" will lay full emphasis on a coloured brand which will be directly weaved into the towel's band. It is particularly suitable as far as one or two coloured marks and inscriptions are concerned.*

## JACQUARD "TINTO IN FILO" YARN DYED JACQUARD

La più preziosa delle lavorazioni jacquard. Permette di intessere un marchio direttamente nella trama del telo, rendendolo assolutamente esclusivo. I risultati migliori si ottengono con elevate grammature, tessuti realizzati in doppio ritorto e tessuti cimati.

*The most precious among jacquard workmanship. By weaving a brand straight into the terry weft, an absolute exclusive result is obtained. The best results are obtained using either major weights, twisted yarns, or velour fabrics.*
